**GUARANTEE**

WHILE I exercise the greatest care to have all trees, shrubs and plants sold by me true to name and free from disease, and hold myself prepared to replace, on proper proof, all that may be proved otherwise, I do not give any warranty, expressed or implied, with respect to them. Any and all such goods are sold upon the express condition and understanding that in case any of them prove to be untrue to name, unhealthy or otherwise defective, I shall not be held responsible for a greater amount than the original price of the goods.

All claims for errors, deductions, etc., must be made imminately upon receipt of goods.

Terms Cash, except by special agreement.

Transportation at purchaser's risk and expense.

Packing done in best manner at moderate cost. Grades carefully made at a high standard of excellence.

My stock has been examined by our State Entomologist and found to be entirely free from San Jose Scale and other dangerous insects and plant diseases. A copy of the official certificate will be sent to each purchaser.

---

**OFFICE**—49 North Avenue. Main line trolley passes within one block.

**PACKING GROUNDS**—Wilder Street, South Side, one block north of office.

**Rosa—**

**Spinossissima** (Scotch or Burnet Rose). A low shrub with small leaves and single white or pink flowers. The branches are usually densely beset with slender prickles. The foliage withstands our suns, and is persistent during the entire season. It is one of the very best of the rose species.

## EVERGREEN TREES AND SHRUBS

I invite particular attention to my large blocks of Arbor Vitae, White Pine, Retinospora, and to my collection of Thujas.

In addition to our plan of root pruning and transplanting, most of our evergreens are sheared yearly with the effect of producing dense, perfect specimens.

All evergreens sold at 50c. or more will be dug with ball of earth and the roots of each burlapped separately.
